panoramic view of the sea. On 39 m² you will find everything you need for a comfortable stay. A highlight is the spacious 27 m² terrace. The bright bedroom with its spacious mirrored wardrobe offers plenty of storage space and natural light. The small, compact galley kitchen is equipped with the necessary appliances and the bathroom has a bathtub with shower fitting.

From the terrace you can enjoy the fresh sea breeze and the impressive view of the Atlantic Ocean - an ideal retreat to leave everyday life behind. The apartment is sold fully furnished and is therefore ready for immediate occupancy.

The building complex offers additional advantages: relax in the heated indoor pool, sauna or Turkish bath. A small supermarket is also right next door, for your daily supplies.

The beach is just a 3-minute walk away, a selection of restaurants is a 5-minute walk away, and the charming town centre of Alvor is just a 15-minute walk away. Thus, all important things of everyday life are within easy walking distance. Alvor is a smaller, pretty town between Portimão and Lagos. The narrow streets and traditional houses give the place an authentic and welcoming atmosphere. The extensive sandy beach invites you to take long walks and relax moments. Despite its idyllic and tranquil atmosphere, Alvor is well connected and offers a variety of restaurants, bars and shops.

For more information or a viewing, we are always at your disposal. Your dream of living by the sea is waiting for you!
