by well-kept Mediterranean gardens, which create a harmonious and tranquil atmosphere.

Exclusive property offers

The facility offers:

- 45 semi-detached houses with private pool (only one unit left).
- 32 3-bedroom apartments with modern architecture that offer outstanding views of the surrounding countryside and the picturesque Monchique mountains. There are still a few units available.

Each house is characterized by a well-thought-out layout, private balconies and/or terraces, fully equipped bathrooms and kitchens, air conditioning in all rooms and access to a communal pool.

This semi-detached house impresses with its modern architecture and spacious outdoor area, which offers a private pool and picturesque views of the Monchique mountains. The stylishly designed, open-plan kitchen flows seamlessly into the light-flooded living room, which offers a view of the pool thanks to its large windows. The master bedroom has an en-suite bathroom and a practical built-in wardrobe. The two other rooms can be used flexibly and are ideal as an office or additional bedroom. The outdoor area invites you to relax in the well-tended garden and is easily accessible from all parts of the house. The house is being sold without furniture.

Ideal location and accessibility

Thanks to the excellent location, you can not only enjoy breathtaking views of the sea and the mountains - depending on the individual property - but are also only 5 minutes by car from the nearest beach Praia dos Caneiros. The good connection to the Algarve motorway (A22) allows for quick access to Faro airport in less than an hour. Ferragudo and Carvoeiro can both be reached in less than 10 minutes by car. This makes the complex an ideal starting point for various excursion destinations.
